Dents has brought out a bold new collection of accessories for autumn/winter 2016. Alongside its luxurious iconic leather gloves and handbags, the label has included an exciting range of the softest velvets to bring extra warmth and styling to cooler winter months. Every item has been created with Dents' original styling and fine craftsmanship, including this soft velvet scarf with pleating detail and coordinating velvet gloves with fancy fur cuff detailing, both available in Dents' new classic shade as well as in black, evergreen and navy.
