Go on *TREAT*

When one special piece makes your wardrobe tick and your confidence soar, it's worth splashing out. Whether it's killer heels or a designer dress, you're worth it. Five women reveal their WOW factor treat!

WHY DESIGNER JEANS

There's nothing like a hot new pair of designer jeans that fit like a glove. They will elevate your casuals into super-style status, and a stretchy dark denim suits all figure types. Worth the investment for longevity alone, AG is the label celebs are loving right now. *Jeans, £198, 24 to 32, AG Jeans Coat, £299, 8 to 20, Pure Collection. Top, £109, 8 to 18, NORR at House of Fraser. Belt, £30, Levi's. Heels, £38, Next*

WHY KILLER HEELS

They'll make the simplest dress look a million dollars and give your legs that extra lift. They may not be the most practical of shoes, but they'll give you a wow factor boost for any special occasion. Treat your legs too, a smooth, glossy tan makes all the difference. *Heels, £295, LK Bennett. Dress, £78, 6 to 18, Pied à Terre at House of Fraser. Ring, £150, Toteoccasion*
