03 Bomber Jacket

What It Says About You
You rock a tailored suit every day with no quilts, but your love for Stan Smiths runs way deeper. Bombers were made for every man's favourite dress code: smart casual.

- PAUL LEATHER BOMBER JACKET \$1 700 ZARA
- POLO NECK \$110 TOPMAN
- KARL LAGERFELD WATCH \$5 000 KARL
- LAGERFELD BY WATCH REVEILLE
- BELT \$100 KIMBLETT HEATH
- LEATHER BOMBERS \$100 HUGO
- STRAIGHT-LEG JEANS \$100 CALVIN KLEIN

Where to Wear It
Pretty much everywhere. If wearing it with a longline shirt is too risky for you, play it safe with a tucked-in button-up shirt and tie. Choose a puffed bomber to make a real statement.

3/ Dress Down Date Night
